

Fold-up Hex Key Set, Inch, 9-Piece

Fold-up hex key set with 9 wrenches 5/64-1/4".

Description

Allen wrenches are required to tighten or loosen the fastening hardware supplied with Ruland shaft collars and couplings.

Features & Benefits

- 9-piece inch hex key set - 5/64", 3/32", 7/64", 1/8", 9/64", 5/32", 3/16", 7/32", 1/4"
- Plastic carrying case with labels keeps wrenches organized for quick selection
- Durable GorillaGrip® handle is stronger than steel handles
- Tool user can adjust tool tension
- Flutes allow for easy selection of one tool at a time
- Blades are accessed from both the top and bottom, eliminating the constant 'unstacking' of blades.
- Turn & Flip Feature eliminates constant removal and repositioning in screw head when working against obstructions.
- Molded-in 90° stop converts the tool into a non-stop, time saving, speed wrench.
- Corrosion-resistant finish is environmentally safe, provides better tool grip, resists solvents, and is 5 times more corrosion resistant than competitor finishes.
- Chamfered tips with no burrs or imperfections allow the tool to fit properly and seat fully within the screw head.

Product Specifications

Tool Type	Hex Key	Manufacturer	Bondhus
Country of Origin	USA	Weight (lbs)	0.380000
