TECHNICAL DATA SHEET

Citrimelt

Asphalt Cleaner and Degreaser

DESCRIPTION

Citrimelt is a high-performance citrus asphalt cleaner derived from natural and replenishable feedstocks. **Citrimelt** is a super-fast solubilizer which breaks down asphalt, tar, and an assortment of hard to clean industrial adhesives. Also effective as a powerful degreaser and oil removal product for an assortment of cleaning applications.

Citrimelt is *environmentally and user friendly*.

Citrimelt offers many more features and benefits, such as

- Plant based
- Safer and more environmentally friendly than diesel fuel
- Contains renewable and biodegradable solvents
- Better performance than diesel or petroleum-based solvents
- Easily rinsed from working surfaces
- Fast acting
- Pleasant odor
- Ideal for trucks, large and small equipment
- Safe on concrete floors
- Great for adhesive and label removal

TYPICAL PROPERTIES

Appearance at 25°C.....Clear Yellow liquid
 Specific gravity 0.900
 Pounds per Gallon at 25 °C 7.48
 Flash Point, °F >100

USE & APPLICATIONS

Tar & Asphalt Removal:

Apply product by brush or spray onto asphalt or tar spots. Allow to dwell for 2-3 minutes; scrub as needed. For best results, rinse thoroughly with high-pressure water.

Concrete & Shop Floors:

Apply product to soiled area. Allow it to dwell for 3-5 minutes; scrub as needed. For best results rinse thoroughly with warm high-pressure water.

AVAILABILITY

Citrimelt is available in 5-gallon bucket, 55-gallon drums, totes & bulk.
